

Bellinger Rose

Bed & Breakfast

Relax in Victorian style and elegance in one of upstate New York's finest historical homes. Built in Herkimer by Christopher Bellinger in 1865 as a wedding present for his son Jacob, Bellinger Rose retains all the charm and character of the Victorian Era.

A romantic theme of roses adorns our four antique filled guest bedrooms, all with queen size beds and private baths. Amenities include air conditioning, separate heat thermostats, TV/DVD, Crabtree & Evelyn soaps, plush terry robes, and beverages. Some rooms contain insuite fireplaces and Jacuzzi® tubs.

Bellinger Rose Bed & Breakfast is also home to Christyl Touch Massage. Here your host, Chris Frost, RN, LMT, can provide guests with professional massage services anytime during their stay. Relax and unwind with a massage, day or evening. Enjoy a relaxing dinner at one of the area's restaurants and then return for a late evening massage.

Bellinger Rose is the perfect getaway for any occasion.
